## PROFESSIONAL EXPERIENCE

Mar 2022 – present

Bangalore, India

**ReactJS Developer**, *KeepWorks Technologies*

**AT&T API Marketplace** [🔗](#)

- It is one of the largest telecommunications operators in the United States.
- Integrated three different forms into one to cut down on the number of API requests which were previously being made, and also rebuilt to a new design.
- Migrated all website text content to a new file and arranged it according to Page routes.
- For a better user experience, toast notifications were included for success and error responses across various pages.
- Worked on resolving UI bugs and design modifications across various devices.

## SKILLS

HTML

CSS

JavaScript

ReactJS

NextJS

Tailwind

## PROJECTS
